Summery

I'm a Telecom Engineer with hands-on experience in optical fiber communication, telecom network installation, testing and troubleshooting.

I currently work with ADVA FSP 3000 R7 systems and have practical knowledge of DWDM technology, optical fiber connectivity, optical power testing and telecom equipment.

I also have an interest in Python, Django and Network Automation and I'm continuously improving my technical skills in both Telecom and Software technologies.

Professional Experience

Telecom Engineer

05/2026 – Present | Hyderabad, Telangana

Bereian Telecommunication and Components

Working in telecom network installation, optical fiber connectivity, testing and troubleshooting.

- ADVA FSP 3000 R7 installation and maintenance
- DWDM system operations
- Optical fiber connectivity
- Optical power measurement and testing
- Telecom equipment installation
- Network troubleshooting
- Working with optical modules and SFPs

Assembly Operator, Bosch chassis system India Pvt Ltd

04/2025 – 04/2026 | Pune

Assembly Operator – ABS Department

Bosch Chassis Systems India Pvt. Ltd., Chakan, Pune

Worked on ABS assembly line, followed safety standards, and gained knowledge of automotive systems.

Trainee Developer, The Kiran Academy

08/2024 – 02/2025 | Pune City, India

- Developed and maintained a Job Portal web application, enhancing skills in Python, Django, and PostgreSQL.
- Designed and implemented backend features, including user authentication, job postings, and application tracking.
- Built interactive frontend components using HTML, CSS, JavaScript, and Bootstrap, ensuring a responsive UI.
- Optimized database queries and improved API performance for better application efficiency.
- Integrated third-party services and APIs to enhance platform functionality.
- Collaborated in an Agile environment, participating in code reviews, daily stand-ups, and sprint planning.
- Utilized Git/GitHub for version control and followed best coding practices.
- Deployed and tested the application in a staging environment, ensuring smooth functionality before release.

Internship, *Elite Softwares*

02/2023 – 03/2023 | Pune, India

I completed an internship in "Web Development as a Python-Django Framework Intern" at Elite Software from 1st February 2023 to 18th March 2023. During this time, I gained valuable experience in building and deploying web applications, enhancing my skills in both front-end and back-end development using the Django framework.

Education

Bachelor Of Engineering in Electronics and Telecommunication

Pune, India

Sinhgad College Of Engineering

Diploma in Electronics and Telecommunication, *Shri.Gulabrao Deokar Polytechnic*

Jalgaon, India

Bachelor Of Arts, *Anandramji Baheti College Jalgaon*

Jalgaon, India

Skills

Soft Skills

Communication, Quick Learner, Analytical Skills, Maintainability, Problem Solving, Team Leadership.

Technical Skills

DWDM, OTN, SDH, Optical Power Testing, Network Troubleshooting, Fiber Testing, Python Web Development, Django Framework, SQL, PostgreSQL,
